CAHIP NorCal Hosts Successful Annual Golf Tournament at The Ridge Golf Course

Auburn, CA – May 15, 2026

CAHIP NorCal (California Association of Health Insurance Professionals, Northern California) brought together industry professionals, sponsors, and community partners on Friday, May 8, 2026 for its annual golf tournament at The Ridge Golf Course. The event welcomed 108 golfers for a full day of friendly competition, networking, and fundraising in support of the chapter's ongoing advocacy and professional development efforts.

Set against the scenic backdrop of Auburn's verdant landscape, the tournament featured great food, refreshing beverages, raffle prizes, and opportunities for members and sponsors to connect outside of the traditional workplace setting. The event continues to be one of CAHIP NorCal's most anticipated annual traditions, bringing together professionals from across the health insurance and employee benefits industry.

"We were thrilled to see such a strong turnout and so much enthusiasm throughout the day," said Lauren Bayha, Executive Director of CAHIP NorCal. "Events like this strengthen our professional community while helping support the important work our chapter does year-round."

In addition to a successful day on the course, the tournament highlighted the strong support of CAHIP NorCal's sponsors and volunteers, whose contributions helped make the event possible.

The chapter extends its gratitude to all golfers, sponsors, volunteers, and committee members who contributed to the success of the tournament.
